PROFESSIONAL EXPERIENCE

Java Software Developer

FREELANCER

2020

Consolidated the principles learned during the Java Programming school by working on several open source and personal projects.

HR Assistant

MSG SYSTEMS ROMANIA

2018 - present

Beside assisting employees with HR related queries, I helped to implement a central ticketing system. My main responsibilities were case testing, user configurations, user support and teaching and continues monitoring and bug reporting, fixing in some cases and further testing.

Senior Account Receivable Agent

GENPACT

2017 - 2018

Cash collections for the European and South African market. Also coordinated the HR Catalyst team by delegating attributions, participating in several fun at work projects and social activities.

Customer Care Representative

JACTRAVEL

2015 - 2017

Offered post-travel support and helped to implement a new complaint tracking and solving module within the main travel platform.

Customer Care Agent

TOTALSTAY

2012 - 2015

Post-travel assistance and helped develop and test a new travel platform.

Call Centre Advisor

BANCA TRANSILVANIA

2010 - 2012

Assisted customers with the online banking platform. Also tested and helped develop a new online banking platform (client side & call centre - back - office side).

EDUCATION

Java Programming (OOP, MySQL, Java Servlets, Spring Boot, Basic HTML, CSS, JavaScript and jQuery)
